

PRAYER PARTNER PROFILE LUIS AND REGINA

Who Are You?

Luis, is the pastor of 'The Redeemer' Church in Zeballos Cue, alongside his wife Regina. Luis and Regina have five grown up children.

Where Do You Serve?

Our church is on the outskirts of Asuncion, the capital city, close to the river. The majority of the people in this area would be on the poverty line, due to low wages.

What Do You Do?

We are Pastors of the church, and also have responsibility for the Christian education within the church school, also called 'The Redeemer.' We also have a prayer group with women, who are involved with the school and the church.

What Encourages You:

We are encouraged by having the opportunity to give a visible testimony of Jesus Christ within the community and within the school as we teach teachers, students and parents about the Christian Faith.

Prayer Requests:

- That school numbers will grow, especially as we want to add extra year groups, going from 6th to 9th grade.
- That the school will become financially self sufficient.
- For the church to grow both spiritually and numerically.
